Pandit Madan Mohan Malaviya National Mission for Teacher and Teaching

PMMMMNMTT

The PMMMMNMTT is a Central Sector Scheme with All-India coverage. The Mission will focus in a holistic manner dealing with the whole sector of education without fragmenting the programmes based on levels and sectors as school, higher, technical etc. One of the important goals of the Mission is to empower teachers and faculty during through training, re-training, refresher and orientation programmes in generic skills, pedagogic skills, discipline specific content upgradation, ICT and technology enabled training and other appropriate interventions.

The Department of Educational Technology, SNDTWU was awarded Teaching Learning Centre (TLC) under the PMMMMNMTT in December 2017.

SNDT Women's University

SNDT Women's University is a 100-year-old women's university established by the well-known social reformer, Bharatratna Maharshi Dhondo Keshav Karve.

In a century of its existence, its enrolment has increased from 5 women who graduated in the first batch to more than 50000 women students who are enrolled in over 175 affiliated colleges in 7 states of India, 41 post graduate departments, 11 institutions conducted by the university and 2 centres in its three campuses.

The university is accredited with Grade A by NAAC in 2016.

Presently the university offers 45 UG, 50 PG, 51 M.Phil./Ph.D., 22 PG Diploma and 15 Diploma programmes.

Department of Educational Technology

The department was established with substantial financial support from the UGC in the year 1973. The DET offers a Master programme (M.A./M.Sc. eLearning), as well as Ph.D. Programme in Educational Technology.

Apart from offering the programmes, the DET conducts research, undertakes development activities. The department has so far developed eContent of about 600 learning hours in collaboration with Maharashtra Knowledge Corporation Ltd. (MKCL), Community Aided Sponsorship Programme (CASP, an International NGO), Central Institute of Educational Technology (CIET-NCERT), State Institute of Educational Technology (SIET), Maharashtra, MHRD, UGC, etc.

The department is actively involved in training of faculty in higher education for more than two decades.

Learning Management Systems

Academicians deal with various processes associated with teaching-learning on day-to-day basis. These processes include providing learning resources, conducting collaborative learning activities, arranging continuous and comprehensive assessment, managing data and generating reports. Learning management system provides more systematic environment for these activities in online as well as blended learning environments.

Learning Management Systems (LMS) is a software application. LMS helps teachers to manage all online activities on one single platform. It also functions as one-point gateway to the world of learning for learners.

This One-week Online Workshop is announced for faculty members of recognised higher education institutes in India to introduce two versatile Learning Management Systems, develop skill of using these systems.

Workshop Objectives

After the workshop, the participants will be able to:

- Discuss significance of Learning Management System in online learning
- Identify components of LMS
- Upload learning resources on Moodle and Edmodo LMS
- Design learning activities on Moodle and Edmodo LMS
- Use LMS to monitor academic as well as social progress of learners
- Generate reports of learner activities through Moodle
