Pandit Madan Mohan Malaviya National Mission for Teacher and Teaching

PMMMMNMTT

The PMMMMNMTT is a Central Sector Scheme with All-India coverage. The Mission will focus in a holistic manner dealing with the whole sector of education without fragmenting the programmes based on levels and sectors as school, higher, technical etc. One of the important goals of the Mission is to empower teachers and faculty during through training, re-training, refresher and orientation programmes in generic skills, pedagogic skills, discipline-specific content upgradation, ICT and technology enabled training and other appropriate interventions.

The Department of Educational Technology, SNDTWU was awarded the Teaching Learning Centre (TLC) under the PMMMMNMTT in December 2017.

SNDT Women's University

SNDT Women's University is a 104-year-old women's university established by the well-known social reformer, Maharshi Dhondo Keshav Karve, which is the first women's university in South-East Asia.

In a century of its existence, its enrolment has increased from 5 women who graduated in the first batch to more than 40000+ women students enrolled in 192 affiliated colleges in 7 states of India, 39 post graduate departments, 11 institutions conducted by the university and 2 centres in its three campuses.

The university is accredited with Grade A by NAAC in 2016.

Presently, the University offers 40 UG, 56 PG, 66 Ph.D., several PG Diploma and Diploma programmes.

Department of Educational Technology (DET)

DET was established with substantial financial support from the UGC in the year 1973. DET offers a Master programme (MA/M.Sc. eLearning), as well as Ph.D. Programme in Educational Technology. It also offers 4-credit Online Courses in Instructional Design, Research Methodology, etc.

Apart from offering these programmes, DET conducts research, undertakes development activities. DET has so far developed eContent of about 600 learning hours in collaboration with Maharashtra Knowledge Corporation Ltd. (MKCL), Community Aid and Sponsorship Programme (CASP, an International NGO), Central Institute of Educational Technology (CIET-NCERT), State Institute of Educational Technology (SIET), Maharashtra, MHRD, UGC, etc.

DET is actively involved in training of faculty in higher education for more than two decades.

Open Education Resources (OER)

As per UNESCO definition, OER are “teaching, learning and research materials in any medium, digital or otherwise, that reside in the public domain or have been released under an open license that permits no-cost access, use, adaptation and redistribution by others with no or limited restrictions” (UNESCO, 2012).

OER can be of many types, videos, podcast, e-content, interactive multimedia, course curricula, course materials, textbooks, apps, presentation that can be used for learning. They are free to use.

There is a need today to develop more OER and make them available to any learner. MIT’s OCW (Open Courseware) is a very well known project. The cost of higher education will come down by 85% if we make OER available to the learners. They can be developed /translated in many languages.

This 3-week workshop plans to explore the concept of OER more deeply, along with various licences/copyrights which make the learning resource. A very important aspect of OER is its “Quality”. It is important that learners find good quality OER.

Since there is a dire need of developing high quality OER especially for Higher Education in many languages, the participants will be trained to design and develop OER by using various ICT tools. These resources will then be assessed and if found appropriate will be made available as OER.

Workshop Objectives

After the workshop, the participants will be able to -

- Identify educational resources under Creative Commons
- Search appropriate and useful OER of various types for their topics of teaching
- Use Instructional Design approach to design Open Education Course
- Develop OER modules by using various ICT tools.

Workshop Contents

Week 1 and 2 Online Mode (Jan 27 - Feb 7, 2020)

Module 1: Concept of Open Education and OER

Module 2: Characteristics of good OER

Module 3: Searching and assessing OER

Module 4: Copyright and OER

Module 5: Planning for Open Education Course

Module 6: Designing of the Course

Week 3: Face-to-face Mode (Feb 10 - Feb 15, 2020)

Module 7: Tools for creating OER

Module 8: Developing Open Education Course

Workshop Methodology

The sessions and activities during the first two weeks will be conducted in the Online Mode. The registered participants will be added to Moodle Learning Management System (LMS) for instructions, resources, assignments and learner interaction.

Online Synchronous (real-time) Sessions will be conducted through virtual classroom twice a day, which will be scheduled post-lunch every day. First half of the day will be majorly dedicated for individual completion of activities and submission of assignments. All activities will be observed remotely and assessed by the TLC team simultaneously.

Participants, resources persons and TLC team will be connected through LMS, virtual class and other ICT tools. A Telegram/WhatsApp group will be created for troubleshooting and scaffolding purpose. The third week will be in Face-to-Face mode at the TLC-SNDTWU, Mumbai (Feb 10 - 15).

Participants are expected to attend virtual sessions, go through uploaded resources and complete the activities during the provided time-slots. All activities will be completed on day-to-day basis during the course of the workshop. Certificate will be awarded subject to the active participation for all 3 weeks.

Who can participate?

- ❖ **Faculty Members from any faculty discipline currently working full-time in Indian Higher Education institutions, i.e. from recognised Colleges, Institutions and Universities are eligible.**
- ❖ **Minimum one year of experience of teaching in higher education system is mandatory for the participation.**
- ❖ **Desktop or laptop with good internet connectivity at home and office is expected.**

Workshop Registration

Please click on the link to apply and convey your interest for participation

<https://forms.gle/9AYqGQ4Sgrw7ANRBA>

- ✓ **Registration form will be closed after receiving first 100 entries on or before **Jan 17, 2020 (3 PM)** whichever is earlier.**
- ✓ **Registered faculty is expected to submit the following documents by **Jan 23, 2020****
 - NOC from Head of the Institute (Principal/University HOD/Director/Registrar)**
 - Undertaking duly signed by the faculty**
 - Self-introduction presentation on 5 slides only (**Maximum 5-6 bullet points per slide**)**
(The drafts of the NOC and the Undertaking to be used are provided in this brochure.)
- ✓ **Selection will be done after scrutiny of all documents and first-cum-first serve basis. TLC reserves all rights of selection. There will NOT be any registration fee.**
- ✓ **Participants will need to make arrangements for their own online learning. Heads of the institutes are expected to relieve participants for all post-lunch synchronous sessions.**
- ✓ **During the face-to-face workshop in Mumbai, Outstation participants will be provided free accommodation on shared basis for maximum 6 nights.**
- ✓ **Outstation participants may be paid upto a limit of A/C III railway fare or A/C Deluxe bus fare only on production of valid tickets.**

NOC

NOC Draft for HODs/Principals/Directors/Registrar:

I depute <name>, who is presently working in this college/University department full-time as <designation>, to participate in the 'Three-week Blended National Level Workshop on 'Open Educational Resources' scheduled during **Jan 27-Feb 15, 2020**. I understand that s/he needs to be present online (in or outside campus) for synchronous session from 2 pm to 5:30 pm during the course of the workshop from **Jan 27-Feb 7**. I also understand that s/he will need to attend the face-to-face mode of the workshop from **Feb 10-15 at SNDTWU, Mumbai**. <name> possesses <pl write number of years> years of teaching experience in higher education system. I grant him/her permission to participate in this workshop. I am aware that all participants attending workshops under PMMMNMTT-MHRD can avail 'On-duty' leave.

Undertaking

I am committed to attend the workshop from **Jan 27-Feb 15, 2020**. I will be available through online mode from **2 pm to 5:30 pm** everyday from **Jan 27-Feb 7** and **on the Juhu campus of SNDTWU, Mumbai** from **Feb 10-15** for the face-to-face mode of the workshop. I am committed to perform all the workshop tasks allotted during the workshop.

I am aware and agree to the rule that if I miss any session or task of the workshop, I will not be eligible for the certificate of participation.

I possess basic IT skills such as preparing own documents, slide presentations, sending attachments, connecting to virtual class and LMS after receiving login details, installing ICT tools, etc. I am confident about learning new ICT tools for OER development. I will be able to login into the virtual class and practice ICT tools using the home and/or office infrastructure. I have access to a computer system (desktop with webcam/laptop) with good internet connectivity, hearing, speaking and viewing devices for participating in the workshop either at home and at the workplace.

I <name> declare that the learning material used during this workshop for completion of workshop activities will be my original work. I will duly acknowledge all the sources used wherever applicable.

I have no objection to use the data of my participation in this training workshop for research purpose by the organisers. I am well aware that confidentiality about my identity will be strictly maintained in data analysis process.

Both the signed and scanned documents as well as the slide presentation of self-introduction (strictly not more than 5 slides) should reach us at tlc@det.sndt.ac.in by Jan. 23, 2020 after successfully submitting the registration form.
