Pandit Madan Mohan Malaviya National Mission for Teacher and Teaching PMMMNMTT

The PMMMNMTT is a Central Sector Scheme with All-India coverage. The Mission will focus in a holistic manner dealing with the whole sector of education without fragmenting the programmes based on levels and sectors as school, higher, technical etc. One of the important goals of the Mission is to empower teachers and faculty through training, re-training, refresher and orientation programmes in generic skills, pedagogic skills, discipline-specific content upgradation, ICT and technology enabled training and other appropriate interventions.

The Department of Educational Technology, SNDTWU was awarded the Teaching Learning Centre (TLC) under the PMMMNMTT in December 2017.

National Series of Free Online One-day Workshops on ICT Tools for Online Learning (April 20-28, 2020)

Objectives of the Workshop series:

Participants, who participate in the One-day workshops will...

- Establish the significance of Information and Communication Technology in higher education
- Organize collaborative learning activities in online environment
- Create learning resources by using appropriate ICT tools
- Select appropriate ICT tools and techniques for eAssessment

Who can participate?

- ❖ Faculty Members from any faculty discipline currently working full-time in higher education institutions are eligible.
- ❖ Minimum one year of experience of teaching in higher education system is mandatory for the participation.
- ❖ Desktop or laptop with good internet connectivity at home is expected.
- ❖ ***Only those who are willing to login from 3 pm to 6 pm and work at least for one additional hour may apply.***

ICT Tools for Online Learning

Emergence of Internet has added value to the field of education world-wide. Online education brings new paradigms to the learner-centred and group-centred environments. Information and Communication Technology Tools (ICT Tools) aid learners to collect, disseminate and generate information, and manage learning effectively. These can also be aimed to promote collaboration and eAssessment. This series of online workshops will help us to explore various ways to integrate ICT tools in online learning. Once can select any number of workshops from the following:

Monday

April 20

1. Collaborative tasks on Google tools

Tuesday

April 21

2. Online Brainstorming

Wednesday

April 22

3. Online Concept-mapping, mind-mapping

Thursday

April 23

4. eQuiz (Tesmoz, Quizlet)

Friday

April 24

5. Google Forms for Quiz

Saturday

April 25

6. Image editing and Infograph-design

Monday

April 27

7. Screencasting

Tuesday

April 28

8. Interactive videos by H5P plug-in
