

Stormboard Sign-up Manual

Unique Features

Stormboard is an interactive whiteboard which allow teachers and students to work collaboratively in real time or asynchronously. It is free for educators. The educators plan allows the teachers to create unlimited numbers of boards and invite unlimited users to collaborate. There are various educational templates available for educators to use and start the brainstorming session. During collaboration the users can use whiteboard to draw diagrams. Sticky notes can be created and added to the board; text, images, videos, files and links can also be inserted on the board.
