

Manual for Enhancing a Concept Map using Mindomo

Left tool-bar

Mindomo provides various tools (shown in Figure 1) to develop a concept map.

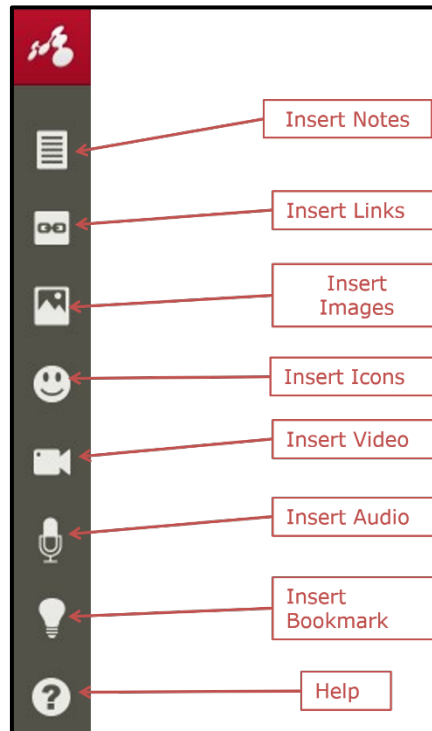

Figure 1

To use any tool for a topic, click on the particular topic (the shape in the concept map) and then click on the icon of the tool in the left menu. After inserting the particular media click anywhere in the empty space. The media will appear in the topic.

Insert A Note

To insert a video, follow the following steps:

- Click on the topic
- Go to the left tool-bar and click on note icon as shown in Figure 1
- A drop box will appear as shown in Figure 2, enter the text in the blank space and click outside in the blank space.

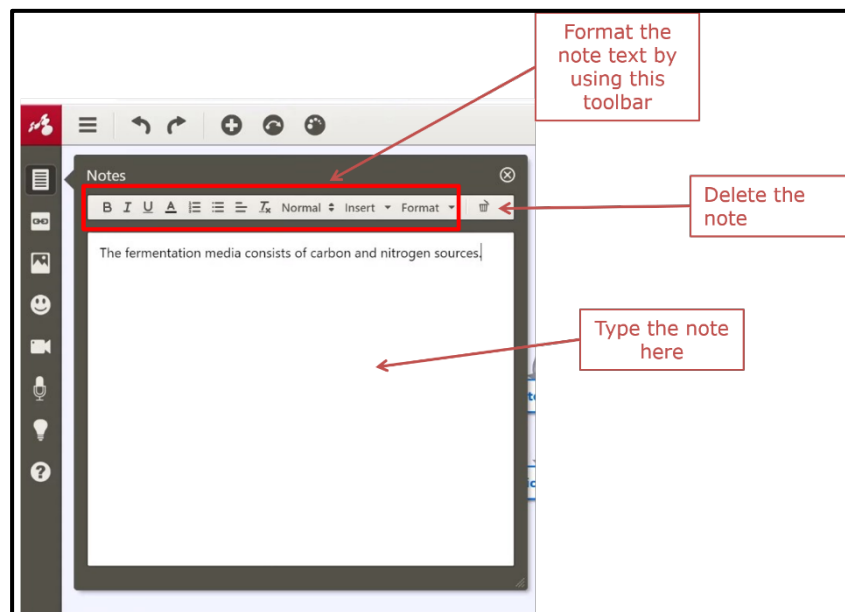

Figure 2

-  icon will appear next to the topic as shown in Figure 3.
- Click on  icon to view the note on the map, as shown in Figure 3.

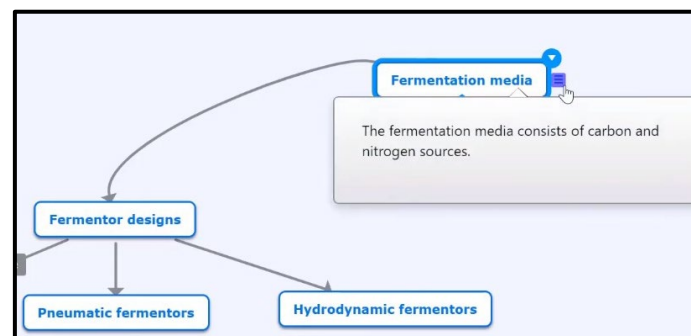

Figure 3

Insert A Link

To insert a link, follow the following steps:

- Click on the topic
- Go to the left tool-bar and click on link icon as shown in Figure 1
- A drop box will appear as shown in Figure 4, insert the link in the space given and click outside in the blank space.

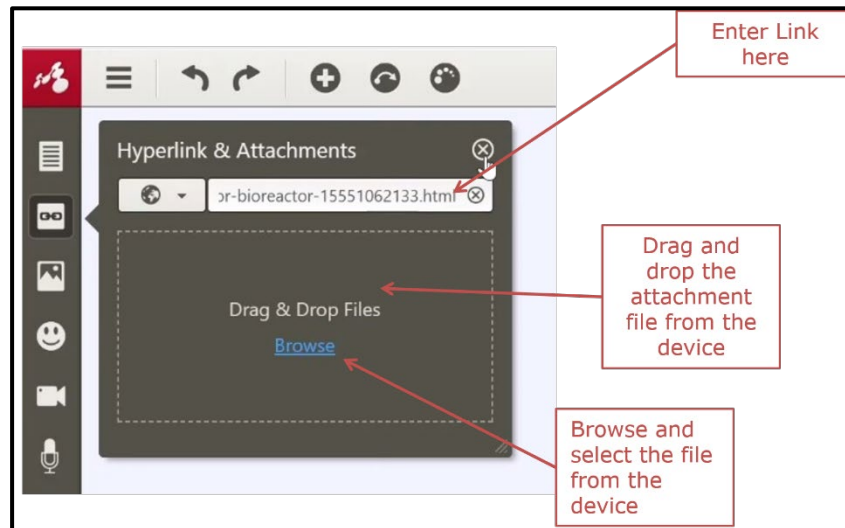

Figure 4

- The link will appear next to the topic in the form of icon/logo as shown in Figure 5.
- Click on the icon/logo to view the link as shown in Figure 5.

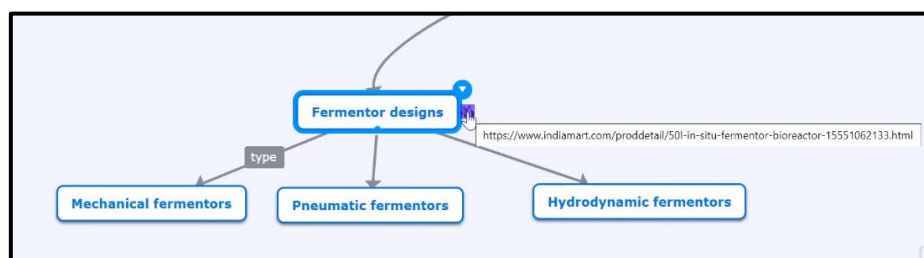

Figure 5
